Print this page to use as a checklist and to ensure you bring all necessary items to Ft Rucker Uniforms

- US Army personnel are required to have their unit patch, rank, insignia and awards on each uniform IAW AR 670-1.
- USAF, USN, USCG and Allied officers need equivalent service uniforms as listed below.
- Civilian personnel need to be in respective normal daily attire

BDU's (Battle Dress Uniforms) or Blue Duty Uniforms for USCG:

- **Week 1** (or until everyone has proper unit patches and rank sewn onto their flight suits/jackets)
- **Week 6** (CIF clearing/turn-in preparation)
- **Bring** service specific:
- Hat/cap (Black beret for soldiers whose units have issued them)
- Brown T-shirts
- Belt/Buckle
- Green or Black Socks

Do Not mix Summer weight and Winter weight hats, tops, and bottoms

Flight Suits with Service Specific Accessories

- Week 2
- Ensure your flight suits and flight jackets have sew-on subdued unit patches and rank. We will provide you with the leather nametag unless yours is still current (personnel with prior aviation badges are authorized to wear them).
- The BDU cap is worn with the flight suit for Army personnel (Service appropriate hat for other services, N/A for civilians)
- Soldiers who have been issued the black beret will wear these with the flight suit
- T-shirts (Brown Cotton, Wool, Nomex)
- Socks (Green or Black Cotton, Wool, Nomex)

Class A Uniform (or service specific equivalent “coat and tie”) for inspection and graduation

- Garrison Cap
- White T-shirt
- Black four-in-hand tie
- Belt with shined brass buckle
- Black nylon socks
- Shined black low-quarter shoes

PT Uniform (Service Specific) -Bring enough uniforms for PT three times a week

- U.S. Army summer PT uniform (or Service equivalent if required)
 1. Either the current or new standard issue gray cotton T-shirt
 2. Either the current or new standard issue gray cotton or black nylon shorts
 3. Plain white athletic socks (calf length without any writing or logos)
 4. Running shoes
- U.S. Army winter PT uniform (required from 01 Oct – 31 Mar)
 1. The summer uniform plus:
 2. Either the current or new standard issue gray cotton or black nylon sweat top
 3. Either the current or new standard issue gray cotton or black nylon sweat pants

4. Black knit watch cap
5. Black leather gloves with wool inserts

Note: Do NOT mix current with new standard PT Uniform

All-Leather Combat Boots

- Jungle boots and Hi-Tec boots are not authorized for wear with the flight suit, and definitely not for flight operations
- Civilians must purchase a set if they don't possess any

I.D. Tags (DOG TAGS) Required by AR 95-1 for flight duties

- Civilians must purchase a set if they don't have them
- Bring an extra set, if you have them.

Glasses

- Glasses that correct your vision to 20/20 must be worn while performing aviation duties.
- Contact lenses are not authorized for flying duty without a waiver.
Time permitting, Lyster Army Community Hospital Optometry will assist authorized students to order "flight glasses" if they bring a recent (within one year) manifest refraction.

Field Jacket or Gortex Parka (or service specific equivalent)

- with Black Leather Gloves & Wool Inserts (1 October – 31 March)

3. Accessories (Please, Do NOT bring any weapons)

- Stethoscope to perform flight physicals
- Paper/Pencils/Pens/Highlighters (at least one black)
- Briefcase /Bookbag
- Rubber-stamp with medical signature block for stamping physicals/upslips
- Laptop computer (**highly recommended**)
- Check with BOQ office for internet capabilities
- Government computers will be available
- Civilian attire is at your discretion during off-duty hours [temperatures can vary significantly]
